### **To saints in all the churches,**

2018 International Blending Conference will be held in Phnom Penh. Through such an annual international blending conference since 2007, not only local saints of churches in Cambodia, but also the oversea saints who attended the conference have received much encouragement and bountiful supply from the Body. We expect that many saints from many countries especially in Asia seize this opportunity to strengthen churches in Cambodia. We pray that more golden lampstands be raised up in Cambodia and the saints here be brought into the reality of the Body of Christ.
