## Report on the First Lord's Table in Munich, Germany

Lord's Day, October 14, marked the first Lord's table for the church in Munich, Germany. It was a momentous gathering with 411 adults and 58 children. The expected attendance was between 250 - 300 adults, but many saints decided even the day before to come to be a part of this celebration of what the Lord has done, is doing, and will do in Germany and on the European continent. Saints came from 14 different countries, including the Far East, North, Central, and South America, Australasia, and Europe. Some saints, coming from thousands of miles away, testified that they had been praying for a lampstand in Munich for more than 20 years and felt compelled to be part of this time.

Saints gathered at 12:00 noon at the Holiday Inn City Centre for refreshments and fellowship. The meeting started at 1:00 and concluded at 3:30. Then all the saints enjoyed a love feast together catered by the hotel, and they lingered till 5:30 pm. The atmosphere during the entire 5 1/2 hours was sweet and joyous beyond words. A presentation of the history of the Lord's move in Munich by the local saints, and testimonies of some of the newly gained German young people and college students, were the highlights, following a marvelous remembrance of the Lord Jesus and genuine worship of the Father during the table portion of the meeting.

The saints in Munich would like to express their deep and heart-felt appreciation for all the support of the whole Body, especially the prayers that have been poured out by countless saints and churches over whole earth during the past months. We have the absolute assurance that this is a church brought forth from the Head, by the Spirit, in and through the Body.

Jesus is Lord, and Christ is Victor in München!
