Report on the International Book Fair in Krakow, Poland

Dear Saints,

The 22nd International Book Fair Was held in Krakow on 25-28 October 2018. Ten saints served at the booth over the four-day period. Our exhibit represented Bibles for Europe and Fundacja Strumień Życia (the distributor of Polish ministry books). During the entire fair, the atmosphere was very pleasant and peaceful. We sold 10 ministry books and gave out 691 Polish New Testament Recovery Versions, and we gave out several English and Russian versions as well. The number of Bibles distributed per hour was fewer than when we distribute on the street; however, we received significantly more email subscriptions (164 valid emails). Those who subscribed will receive 5 emails from Bibles for Europe to help them read and appreciate the Bible. They will also have an option with each email to request a local Bible study.

There were some positive conversations, including some people who had received the Recovery Version at previous distributions in Krakow. Two new personal contacts were made, one of whom will meet the brothers this week.

Thank you for all your prayers. Please continue to pray for those who received a Bible or ministry books, especially those who subscribed to the emails, that they will be encouraged to read the Bible and be open and ask for further contact, and that eventually they will have a way into the church life.
