

Dear brothers – our dear brother Jim Reetzke fought the good fight, kept the faith, and finished his course early this morning. After a struggle with cancer for several months, brother Jim went to

be with the Lord in peace in his home in Chicago. We all will miss his deep portion of Christ and his faithful stand for the church and the Lord's recovery, but find solace in the fact that he is relieved from suffering and is with the Lord. According to his family's desire, there will be a simple memorial at the hall in Chicago this coming week. We will pass along details when they become available.

The brothers in Chicago
