Re: International Training for Elders and Responsible Ones—October 2021

Dear Brothers:

We would like to announce the dates of the International Training for Elders and Responsible Ones—October 2021. The ITERO should be carried out over the three day period of October 8-10, 2021. The suggested schedule for the training is to begin at 8:30 AM, Friday, October 8, 2021 and conclude by Lord's Day evening, October 10, 2021.

Due to the Covid-19 pandemic, we feel the responsibility to protect those brothers who would attend an October 2021 ITERO in Moscow, Russia, especially those who may be vulnerable. Therefore, Living Stream Ministry has decided not to hold this ITERO in Russia. Instead, the ITERO this October will be carried out by webcast in the same way that the ITERO was carried out in April of this year. If the government and the Lord through the fellowship permit, brothers may gather together locally or even regionally.

In order to continue this gathering in the way of training, we require that all attendants adhere to a standard application procedure by filling out an application form and submitting a \$75.00 USD donation. In addition to the elders, we encourage all those who are bearing responsibility and who are learning to serve to apply also, and we ask that the elders in their locality recommend them. This training is for brothers only. We ask that sisters not apply. We hope that through such perfecting times, the Lord will make us all able ministers of the New Testament, effective building material for the universal building up of the Body of Christ, and good stewards and serving ones in our respective local churches.

A registration packet including the application form are enclosed.

Yours in His recovery,

Living Stream Ministry

TRAINING INSTRUCTIONS AND REGULATIONS

In order to have a proper atmosphere for the Lord to freshly speak to us, for the Spirit to freely operate through us, and for the organic fellowship to be practically carried out among us, we ask that all trainees read and observe the following instructions and regulations:

1. This is a training; it requires your 24-hour commitment for three days.
2. All trainees should adhere to the schedule of the training.
3. Due to the current environment of the coronavirus pandemic, you should limit all nonessential personal contact.
4. Every meeting must start with much prayer. Trainees should exercise to pray before watching the messages.
5. As this is a training, there will be assignments and study sessions.
6. Group Sessions should be conducted online by video conference software (such as Skype or Zoom) or in person by groups if it is safe to do so. It is suggested that the outline and excerpts of the two morning sessions be read prior to joining the group session. Study all assigned reading material on time. Join each session prepared to share, testify, fellowship, discuss, and ask questions regarding the assigned material. During these three days, you should restrict all fellowship, corporate and private, to the subject of the training.
7. Brothers will be assigned groups for the study session by the elders/leading ones in their locality. You should not change groups without first fellowshipping with the local elders/leading ones.
8. In the Group Sessions you are required to speak, testify, PSRP, share, and participate with an exercised spirit
9. The PDF of the ITERO outline publication in all languages will be available to the brothers when they log in to view the messages at itero.lsmwebcast.com. All materials from this training, in both print and electronic formats, including outlines, audio materials, and video materials, must be obtained directly from Living Stream Ministry. We would ask the saints not to create copies of the training materials in any format without permission from Living Stream Ministry. Do not accept copies of training materials that have been produced illegally. This applies to illegal copies for so-called “personal use.”
10. Please turn cell phones **off** during all of the ITERO messages and Group Sessions.
11. Refer all questions to the LSM Registration Section (register@lsm.org; 714-236-8456).

Online Registration for Training Administrators

International Training for Elders and Responsible Ones-October 2021

The following information is for training administrators only:

Because registration to attend this training requires an elder's approval, there is an authorization/enabling process. Therefore, there is the need to assign a training administrator who is in coordination with the elders in your locality. The training administrator will be able to assign logins to the brothers who have been approved to attend so that each brother may register himself online.

Once the administrator has logged in using the instructions below and activated the accounts of the brothers in their locality, those brothers will then log in using the credentials assigned to them by the training administrator. **Brothers who are not the training administrator should not try to log in and register using the information below.**

Step-by-step ITERO online registration instructions for training administrators:

1. Please go to www.lsmregistration.com.
2. If you already have an ITERO login with administrator privileges, enter the login credentials that you have used to register for past ITEROs. If you do not remember your login credentials please contact the LSM Registration Section.
Please note: ITERO login credentials are **not** the same as semi-annual training login credentials. If you have used the online registration option to register your locality for a semi-annual training, but have never registered online for an ITERO, you will need to follow the instructions below to set up a training administrator's account.
 - a. If you are a new or first time training administrator, but you have registered online for past ITEROs, please contact the LSM Registration Section to have your previous login credentials activated with administrator privileges.
 - b. If you are a new or first time training administrator, and you have **never** registered online for past ITEROs, please contact the LSM Registration Section to set up login credentials with administrator privileges.
 - c. After your ITERO login credentials have been set up with administrator privileges, go to www.lsmregistration.com to log in.
3. After you have logged in using your training administrator credentials, you can register yourself for the current ITERO event by clicking on the "Self-

Register” tab at the top of the screen. You will also have the option to submit the ITERO donation online if you so choose.

4. Once you have registered yourself for the event (or skipped this option, if you do not plan to attend), click on the “Approve Brothers” tab at the top of the screen and follow the instructions to activate login credentials for the brothers in your locality who plan to attend the current ITERO event and whom the elders have approved to attend.

Please note: Creating and activating the accounts of the brothers who will attend the ITERO does **not** constitute their registration. It is only the prerequisite to their registration. Once you have created or activated their accounts, each brother will need to log in and register himself using his personal login credentials. The registration for each brother will not be complete until he has done so. Please provide the brothers in your locality with the, “General Online Registration,” information sheet (included in this packet) to help them with this process.

If you have questions or need assistance, you may contact the LSM Registration Section either by phone at 714-236-8456, or by email at register@lsm.org.

General Online Registration Information

International Training for Elders and Responsible Ones – October 2021

Because registration to attend this training requires an elder's approval, there is an authorization/enabling process. All brothers who plan to attend the International Training for Elders and Responsible Ones and who would like to register online must first have ITERO login credentials created and/or activated by the training administrator in their locality.

Once the administrator has created or activated the login credentials for the brothers in their locality who plan to attend the current ITERO event, and who have been approved by the elders to attend, those brothers will then log in using those credentials to complete their registration.

Please note: Activation of login credentials is only the prerequisite to ITERO registration. Brothers who have had their login credentials created or activated by the training administrator in their locality are **not** automatically registered. Once their accounts have been activated, each brother will need to log in and register himself using his personal login credentials. The registration for each brother will not be complete until he has done so.

Step-by-step ITERO online registration instructions:

1. Once you receive notification from the ITERO administrator in your locality, that your ITERO login credentials have been activated. Please go to www.lsmregistration.com.
2. Enter the login credentials that have been provided to you, or that you have used to register for past ITEROs. If you do not remember your login credentials please contact the LSM Registration Section.
3. After you have logged in using your personal credentials, you can register yourself for the current ITERO event by clicking on the "Self-Register" tab at the top of the page. Please fill out the online application form as completely as possible. You will also have the option to submit the ITERO donation online if you so choose.
4. To ensure that your registration is complete, click on the, "Registration Status," link before logging out. This will provide you with the status of your registration and notify you of any required information that has not yet been received.

If you have questions or need assistance, you may contact the LSM Registration Section either by phone at 714-236-8456, or by email at register@lsm.org.
