

Announcement of 2021 North America Korean-speaking Conference

9-27-2021

Dear Korean-speaking saints in North America,
Greetings in His name. Despite the unprecedented COVID-19 pandemic catastrophe in the human history, the great wheel of God's economy never stopped and still is advancing victoriously. We praise the Lord for this! We had a West Coast Korean-speaking Conference via Zoom last May. It was such a blessed and precious time for all the Korean-speaking saints who could enjoy and experience the reality of the Body of Christ through blending. Now we are so glad to announce to you that we will have a North America Korean-speaking Conference on October 23rd and 24th. Please see the details of the conference below and find the invitation card files (both English and Korean) attached. May all the Korean-speaking saints in North America join this conference to enjoy the reality of the Body through the blending in the up-to-date words of the ministry.

In Christ for His Body,
The Korean-speaking co-workers in North America
Jasper Kim, Joshua Kim, Ezra Paik
