

An Update concerning the New FTT Training Center in Mexico City, April 10, 2022

Dear Saints,

We are giving you an update on the progress of the remodeling of the FTT training center in Mexico:

1. By the end of April, we will finish all concrete works for the foundation, the required cisterns, pillars, floors, rooftop, etc. Praise the Lord.
2. In May, we intend to begin installing plumbing, the electrical system, flooring, and walls, painting, etc.

Our original plan was to finish all the remodeling work by the end of May of this year so that the training could move in by the beginning of June. However, we have been delayed by inflation, shortage of building materials, the neighbors' complaint about noise, slow response from government officials, increased building code requirements, the need for more strengthening of the foundation, the emergence of Covid and other diseases, etc. We have approximately \$400,000 USD in our bank account; this will be depleted by the end of May. There is still a need for approximately \$1,000,000 USD to complete the project by the end of the year, barring any other unforeseen delays.

Thank you for all your prayer and support in the past. Please pray for a continuation of the remodeling, as this is a training center for future generations according to the ministry of this age. This center will serve all the Spanish-speaking trainees in Northern and Central America and Europe. If anyone desires to send offerings to support this training center, please send them according to the instructions below:

If offering from outside of Mexico:

Option One: Mail a check:
Church in Anaheim
P. O. Box 8583
Anaheim, CA 92812
Memo: For the FTTMx training center

Option Two: Send a wire:
