Registration changes, such as substitutions or additions as shared seats, can be made up to two weeks before the start date of the semiannual training. After this time, no changes will be allowed.

Please take note of the training registration due date and plan accordingly when making announcements to the saints, so that you will be able to send in your locality's registration information in enough time to be received by the LSM Registration Section on or before the due date.

### III. Registration information:

- A. Please use the LSM online registration system at [www.lsmregistration.com](http://www.lsmregistration.com) to register. If a computer is not available, please complete and return the enclosed forms by May 8, 2022. Mail, fax, or email the forms early to ensure that they are received by the due date.
- B. The registration donations (\$200.00 USD per trainee) should be sent in by May 8, 2022.
- C. The outline payments for live trainees (\$5.00 USD per trainee) should also be sent in by May 8, 2022. Please note that only one outline is provided per seat in the live training, including shared seats. Saints who need an additional outline may purchase one in the LSM Bookstore immediately following the first meeting of the live training.
- D. Saints should register through the locality in which they currently meet. Do not register saints from other localities.
- E. Trainees must be age 17 or above. **Young People: Attendance by young people under the age of 17 is discouraged.** Exceptional cases will be considered; however, a Young People's Registration Form from the elders in the sending locality (including an elder's letter of recommendation), in addition to prior attendance in a minimum of one video training, is required for each applicant under the age of 17. Young people who are 15 years old and under will not be accepted to the live training, please do not allow them to apply. All those who are under 17 years old and who have been accepted to the training will be expected to adhere to the same training requirements as all other trainees. All trainees under the age of 18 must be registered for the training full time; part time and shared seats

will not be allowed. ***Please note:*** The required *Release of Liability Agreement* must be signed by a parent or legal guardian and returned to LSM for each registrant under 18 years old. For those under 17 years old, the Young People's Registration Form and the Release of Liability must accompany their registration and they must be received on the due date or they will be considered late.

F. The nearby churches have a seating quota. If registration exceeds seating capacity, the nearby churches will be subjected to seating quotas.

G. Hospitality:

1. There is a hospitality quota for those registering from the churches in the USA, Canada, and Mexico. This quota corresponds with the number of hospitality spaces your locality may occupy during this training. Borrowed spaces for hospitality will not be accepted.
2. No additional hospitality spaces will be given above the number of your quota.
3. Hospitality will be provided for domestic and international trainees who are 25 years of age and under. Please do not request hospitality for trainees over 25 years of age.
4. As a precaution, proof of full vaccination for COVID-19 will be required for all those requesting hospitality.
5. Do not request hospitality for any trainee who needs special care (including diet or special health needs).
6. Do not request hospitality for children.
7. Keep the host updated on any hospitality changes.
8. Do not attempt to switch hospitality assignments.
9. Do not lend nor borrow hospitality spaces to or from other localities.
10. If, due to a cancellation, a hospitality substitution becomes necessary, be sure it is brother for brother, or sister for sister. The substitute should know whom he/she is replacing. Be sure to notify the host directly of a substitute or cancellation and how this will affect car availability. It is best not to substitute for couples.
11. In making arrangements for air travel to Los Angeles Airport (LAX) or the Orange County Airport (SNA) please plan your arrival during daylight hours.

H. If translation is needed, trainees must bring their own FM radio, earphones, and batteries.

I. An induction-loop system is installed in the Ministry Conference Center to assist the saints who are hearing impaired. An induction-loop system eliminates reverberation and background noise, due to the distance it takes for the sound to travel, by delivering sound directly from the source to a listener's hearing aid.

In order to take advantage of the induction-loop system, saints must have a hearing aid that is equipped with a telecoil. A telecoil, or t-coil, is an option available on many hearing aids. It is a small copper coil that is activated by a t-switch on the hearing aid or cochlear implant. Saints can check the owner's manual for their particular model of hearing aid to determine whether it has a telecoil. Any saint who is currently using a hearing aid that is not equipped with a telecoil may take advantage of the induction-loop system in the Ministry Conference Center by either purchasing a hearing aid that has a telecoil or purchasing an external induction-loop receiver with earphones, which operates like an FM radio using the induction-loop technology. If there are any saints from your locality that are hearing impaired and that could benefit from using this induction-loop system during the training messages, please notify the LSM Registration Section at the time of registration so that we can make the necessary seating arrangements.

J. The July 2022 Semiannual Training is a training, 24 hours a day, for six days. Training coordinators should review the enclosed Semi-annual Training Rules and Regulations sheet and fellowship with the saints from their locality who plan to attend the training, regarding the regulations.
