To: All the Churches in the Lord's Recovery
Re: International Training for Elders and Responsible Ones-March 2023

Dear Brothers:

We would like to announce the dates of the International Training for Elders and Responsible Ones—March 2023. The live training will begin at 8:30 AM, Friday, March 24, 2023 and conclude at 12:30 PM, Lord's Day, March 26, 2023. The location will be at the LSM Campus—Ministry Conference Center, in Anaheim, California.

In addition to the live ITERO, each locality will have the option to hold an ITERO video training, to be carried out in a similar manner to the semiannual video trainings. Churches will have the option to watch the live webcast stream or the archived messages. **There will no longer be individual login credentials for the registered trainees in each locality.** Brothers will need to follow the schedule for viewing the messages and studying that is set by the responsible ones in their locality.

In order to continue this gathering in the way of training, we require that all attendants register and submit a donation through their locality. The International Training for Elders and Responsible Ones is for leading ones and co-workers only. All registrants must be recommended by the elders in their locality. We respectfully ask that sisters not apply. Please see the attached letter regarding who should participate in the ITERO. We hope that through such perfecting times, the Lord will make us all able ministers of the New Testament, effective building material for the universal building up of the Body of Christ, and good stewards and serving ones in our respective local churches.

Please read through the contents of this information carefully as the registration procedure for the live ITERO has changed. Additional registration information is enclosed.

Yours in His recovery,

Living Stream Ministry

Letter to the leading ones concerning ITERO

Dear leading brothers in the churches,

Over the years we have noticed an increase in the number of brothers who participate in the International Training for Elders and Responsible Ones (ITERO), and particularly we have noticed that in some localities the number of registered brothers is inordinately high. Also, a number of the co-workers have noted that there is an increasing number of brothers who seem immature or are not yet suited for this kind of training, and this hinders what can be released by the ministering brothers to those who should properly attend. Looking back at the way Brother Lee first established the elders' trainings in the U.S. in the 1980s and how he continued to conduct these trainings in the 1990s, we, in fellowship with the ministering brothers who oversee ITERO, feel that some adjustment is necessary to bring this training back in line with Brother Lee's original arrangement. Thus, we are writing to you, the leading ones, to clarify who should be invited to participate in ITERO.

First, it should be stressed that ITERO is not simply a perfecting training for the brothers in the churches. We understand that in some places the leading ones may feel that ITERO can help many brothers in the church to grow in life and to be perfected in service, but this is not the intention for ITERO. This training is, as its name indicates, a training for brothers who are actually elders or who bear responsibility in the church, and the purpose of ITERO is to train and perfect these brothers in this particular service. Second, we also understand that it may be difficult to clearly define how much responsibility a brother should bear in order to be invited to participate in ITERO. Thus, after careful consideration and fellowship, we would like to offer some clear guidance. Of course, every brother who has been serving as an elder is invited to participate in ITERO, and we hope that every elder will attend as often as the Lord gives him the way to do so. But there may be other brothers who bear responsibility in the whole church, not just in a district or in a group, who also should participate in ITERO. These brothers should be ones who often join the fellowship among the elders as the elders care for the whole church. No doubt, these ones will be responsible for a district or a smaller group of saints, but that should not be the limit of their responsibility; they should be ones whom the elders feel bear some responsibility in the church as a whole. Third, Brother Lee allowed "learners" to attend ITERO, and by this we understand that he meant those brothers who are being raised up and are now learning to bear responsibility for the whole church, not only for a district or smaller group. Following his lead, we hope these learning ones would also participate in ITERO.

Brothers, we fully trust your discernment in this matter as well as your heart for the proper arrangement and atmosphere in this training. We hope that by clarifying what ITERO is and is not and by offering some guidance concerning who should participate, you will be able to assist us in making sure that ITERO remains true to Brother Lee's intentions. We also realize that these clarifications may limit the number of brothers who should attend ITERO and that some brothers who formerly attended will not be invited to attend in the future. We hope that you will be able to shepherd these ones so that they will not be discouraged and to continue to perfect them in their pursuit, growth, and function.

Your help in this matter will be greatly appreciated and will no doubt serve the training for the elders and responsible ones greatly.

Thank you, brothers.

In Him,
The brothers who oversee LSM

ITERO VIDEO TRAINING INSTRUCTIONS AND REGULATIONS

In order to have a proper atmosphere for the Lord to freshly speak to us, for the Spirit to freely operate through us, and for the organic fellowship to be practically carried out among us, we ask that all trainees read and observe the following instructions and regulations:

1. This is a training; it requires your 24-hour commitment for every day of the training.
2. All trainees should adhere to the schedule of the training.
3. Every meeting must start with much prayer. Trainees should exercise to pray before watching the messages.
4. As this is a training, there will be assignments and study sessions.
5. Group Sessions should be conducted online by video conference software (such as Skype or Zoom) or in person by groups if it is safe to do so. It is suggested that the outline and excerpts of the two morning sessions be read prior to joining the group session. Study all assigned reading material on time. Join each session prepared to share, testify, fellowship, discuss, and ask questions regarding the assigned material. During these days of training, you should restrict all fellowship, corporate and private, to the subject of the training.
6. Brothers will be assigned groups for the study session by the elders/leading ones in their locality. You should not change groups without first fellowshipping with the local elders/leading ones.
7. In the Group Sessions you are required to speak, testify, PSRP, share, and participate with an exercised spirit
8. All materials from this training, in both print and electronic formats, including outlines, audio materials, and video materials, must be obtained directly from Living Stream Ministry. We would ask the saints not to create copies of the training materials in any format without permission from Living Stream Ministry. Do not accept copies of training materials that have been produced illegally. This applies to illegal copies for so-called "personal use."
9. Please turn cell phones **off** during all of the ITERO messages and group study sessions.
