

2024 Summer International College Training in Asia Announcement

Dear Brothers and Sisters,

The 2024 Summer International College Training in Asia (ICTA) will be held in Malabon City, Philippines from July 24-27, 2024. This will be followed by a blending trip from July 28-29, 2024.

We look to the Lord that through the ICTA, college students in the Lord's recovery from different countries in Asia would rise up to pursue the Lord in the present truth, practice the corporate God-man living in the training to have a proper spiritual character in the church life, and participate in the Lord's move all over the earth as the one new man to bring the Lord back. We pray that the vision of the young people to carry out God's economy will be clearer and their experience of the riches of Christ will be richer for the building up of the Body of Christ.

The training will be conducted in English to facilitate the learning of a universal language for the furtherance of fellowship and coordination in the one new man.

All churches in Asia are invited to send their college students and serving ones to participate in this gathering.

Sincerely,

The Serving Ones
Lord's Move to Asia
