To the leading brothers with the saints in all the churches in the Lord's recovery:

We would like to express our deep appreciation to you all for your prayers, fellowship, coordination and financial support in the past few years. We worship the Lord as our unique Head who has been faithful in providing us with what we need to purchase a meeting hall in 2023. By the end of 2024, we finally obtained the change of use and building permit

Throughout these past years, we truly experienced the Lord's blessing, supply, and perfecting as we are learning to coordinate in one accord, trust in His supply in the Body and follow His leading in every step of this process. We have been strengthened, encouraged, and covered by the prayers offered by the saints all over the globe.

Last year, we were finally able to advance to Phase 2 of this project. We were able to complete close to 90% of the detailed planning and anticipated the beginning of the actual renovation work this year.

Please join us in prayers that:

1. The renovation process would continue in a timely and safe manner.
2. The saints here would continue to increase in the enjoyment of the Lord, grow in life and in numbers, be equipped and perfected to be functioning members for the building up of His Body.
3. The funds needed to complete this project can be released for the sake of the Lord's move in this region.

Request for Financial support

To complete this renovation project, we still need the support of the churches to meet this financial need for €1.26 million (approx. \$1,48 million). If you would be burdened by the Lord to give toward renovation of this meeting hall:

Please designate it for "Donation: Stuttgart Meeting Hall"

May the Lord use this meeting hall to meet not only the local needs of the church but also the blending needs in the southern region of Germany. May the Lord continue to advance His recovery throughout all the earth!

The responsible brothers in Stuttgart, Germany.
