

THE LORD'S MOVE IN ITALY

March 2026 Update

Dear saints,

Thank you for your prayers for the gospel trips in Italy, which took place from 4 December 2025, through 23 February 2026. We were encouraged by the response of over 300 saints from more than 25 countries across 6 continents who participated during the 7 cycles of gospel trips demonstrating that this was a move of the Body. We can testify of the Lord's particular blessing as we observed an increased openness among the Italian people. In addition, the local saints were greatly strengthened by the shepherding of the visiting saints.

Highlights from Various Cities

Northern Italy

The church in Milan served as a hub in January and February and several university students who were contacted are still meeting regularly for appointments. There are 20 saints already in Turin and many open ones were contacted. A shepherding trip is planned in March with the hope of raising up a lampstand within the year. In the church in Vicenza the saints were strengthened through home visitation and in neighboring Padua many university students were very open and attended gatherings in the homes.

Central Italy

Several new university students are now meeting regularly in the homes of the saints in Rome. In the Florence area about 40 saints are burdened to take the ground of the church in Prato in May of this year. Migration is needed to care for the young people and reach more Italians.

Southern Italy

In places like Naples and Sicily, seeking ones have been contacted. Continued visitation and future migration are needed for the Lord's testimony to be established in these areas.

Follow-up Shepherding Trips and Migration

[Applications](#) are open for shepherding trips beginning in March and continuing throughout the coming year (italygospeltrips@gmail.com). Many saints are expected for the annual conference to be held 9-10 May in Rome, with shepherding trips before and after. We also particularly invite saints to come for extended visits (1-3 months) to key cities in which the Lord is moving. There is a need for the Lord to thrust out saints to Italy for long-term migration as well.

Translation of the Italian New Testament Recovery Version

We are pleased to announce the beginning of the translation of the New Testament Recovery Version into Italian, which is the last major European language. We expect to begin the project this spring. Please pray for the Lord's covering of the serving ones and His blessing on every aspect of this project.

May the Lord's interests in Italy continue to advance this coming year as the saints throughout the earth participate through intercessory prayer.
